# BRØDERBUND / SYNAPSE

## SOFTWARE FOR APPLE AND IBM PERSONAL COMPUTERS

**B**røderbund and Synapse have joined forces, and for a very good reason. We intend to bring you an even broader range of quality software for your Apple® or IBM® personal computer.

We'll take you and your computer places you've never been before. Uncover your hidden creativity as you design and print your own personalized cards, stationery, signs and banners with *THE PRINT SHOP* (pages 6-9).

Try your hand at creating mini-movies and fabulous doodles with some software magic called *FANTAVISION* (pages 4-5).

Become a karate master and transport yourself to medieval Japan, through the beautifully-detailed animation of *KARATEKA* (page 20). Make yourself the central character in an *Electronic Novel* (pages 26-27) as you help weave a plot of adventure and fantasy. You can even turn your computer into a sophisticated biofeedback machine that helps you conquer stress (pages 28-29).

All of the titles in this catalog can be found at most software stores in your area. But if you can't find a program you want, just use the enclosed order form, or you may place your credit card order by phone: (415) 479-1185, 8:30 a.m. to 5:00 p.m. Pacific Time.

Our Software Representatives are ready to take your order, and will process it within 48 hours.

🍎 : Programs for the Apple II + , IIe, IIc and
   Macintosh. ™
**IBM** : Programs for the IBM PC™, PC/XT™,
   and PCjr.™

Now here's some magic! Unabashed doodling and your personal computer come together in a software program that's pure fun! Brøderbund Software introduces *FANTAVISION.*

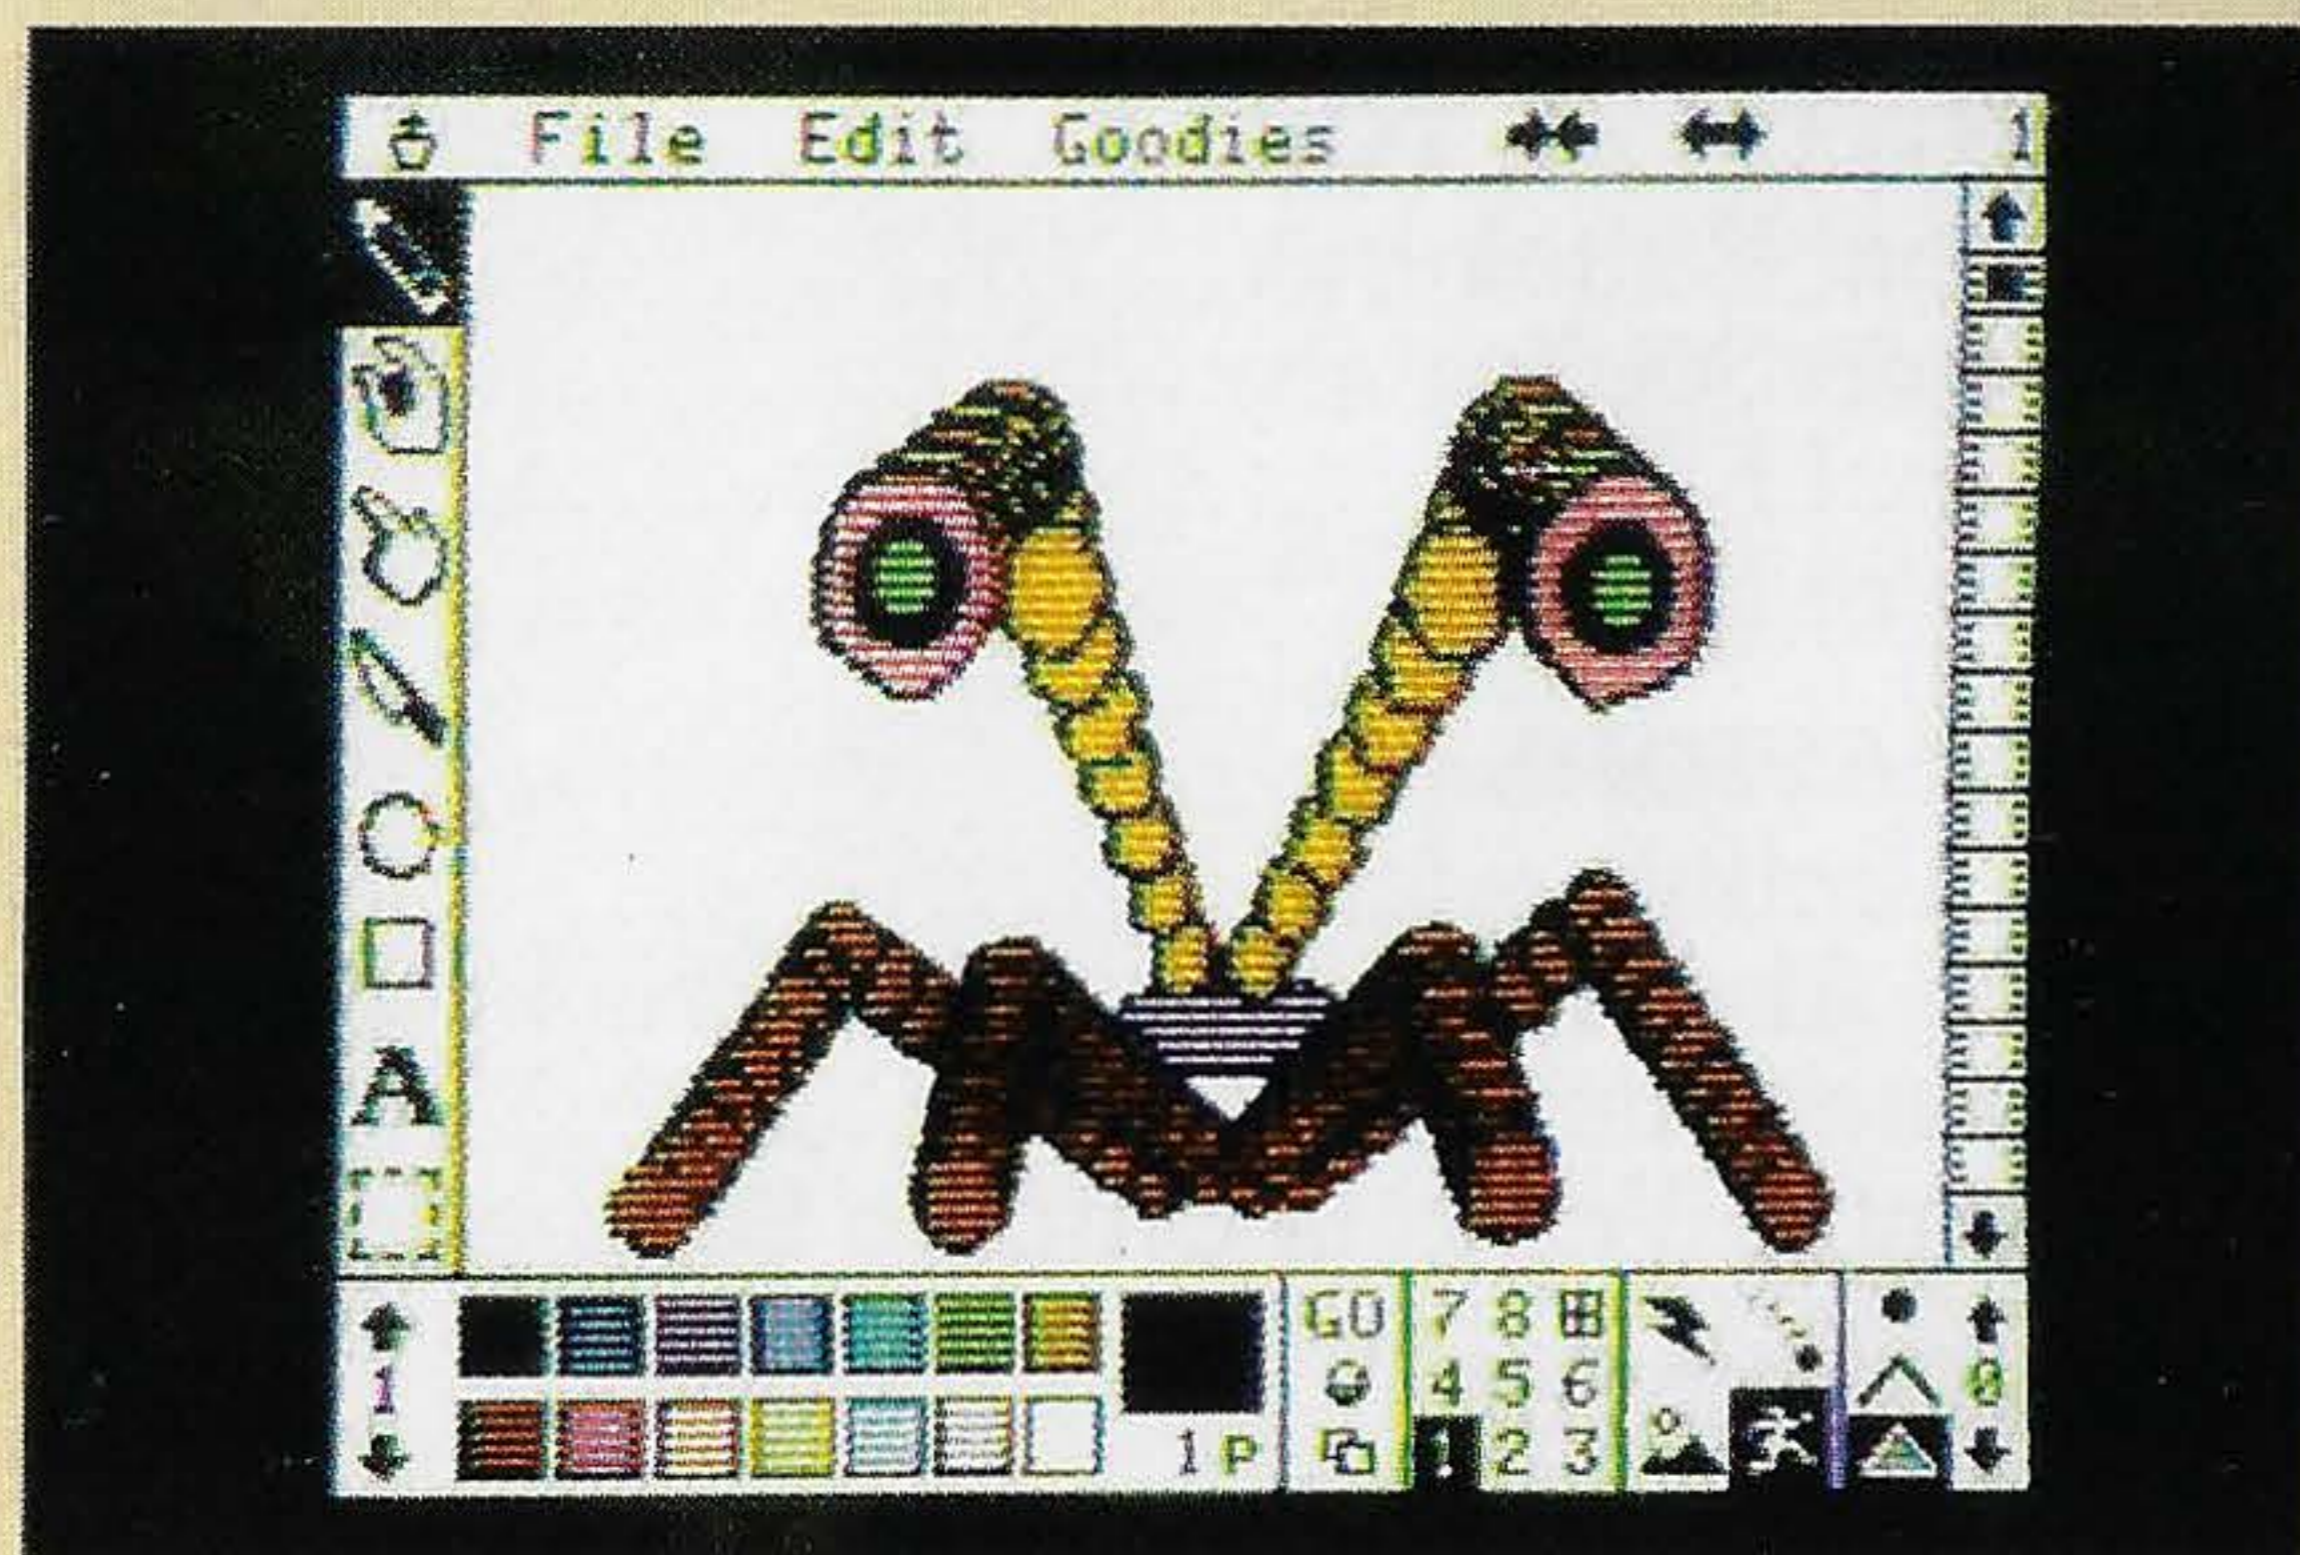

**FANTAVISION™**
*by Scott Anderson*

The fun begins as you plot the points of your creations, fill them with vivid colors and then watch them as they unfold, turn, spin, bounce...virtually come alive on the computer screen.

*FANTAVISION* technology allows you to draw stick figures, solid shapes, lines, faces, bodies, the moon and the stars using a mouse, graphics tablet, joystick or KoalaPad™.

The computer will make up to sixty-four drawings for every one you draw, automatically producing cell animation-style movement and special effects never before possible in a microcomputer software program.

KoalaPad is a registered trademark of Koala Technologies Corporation.
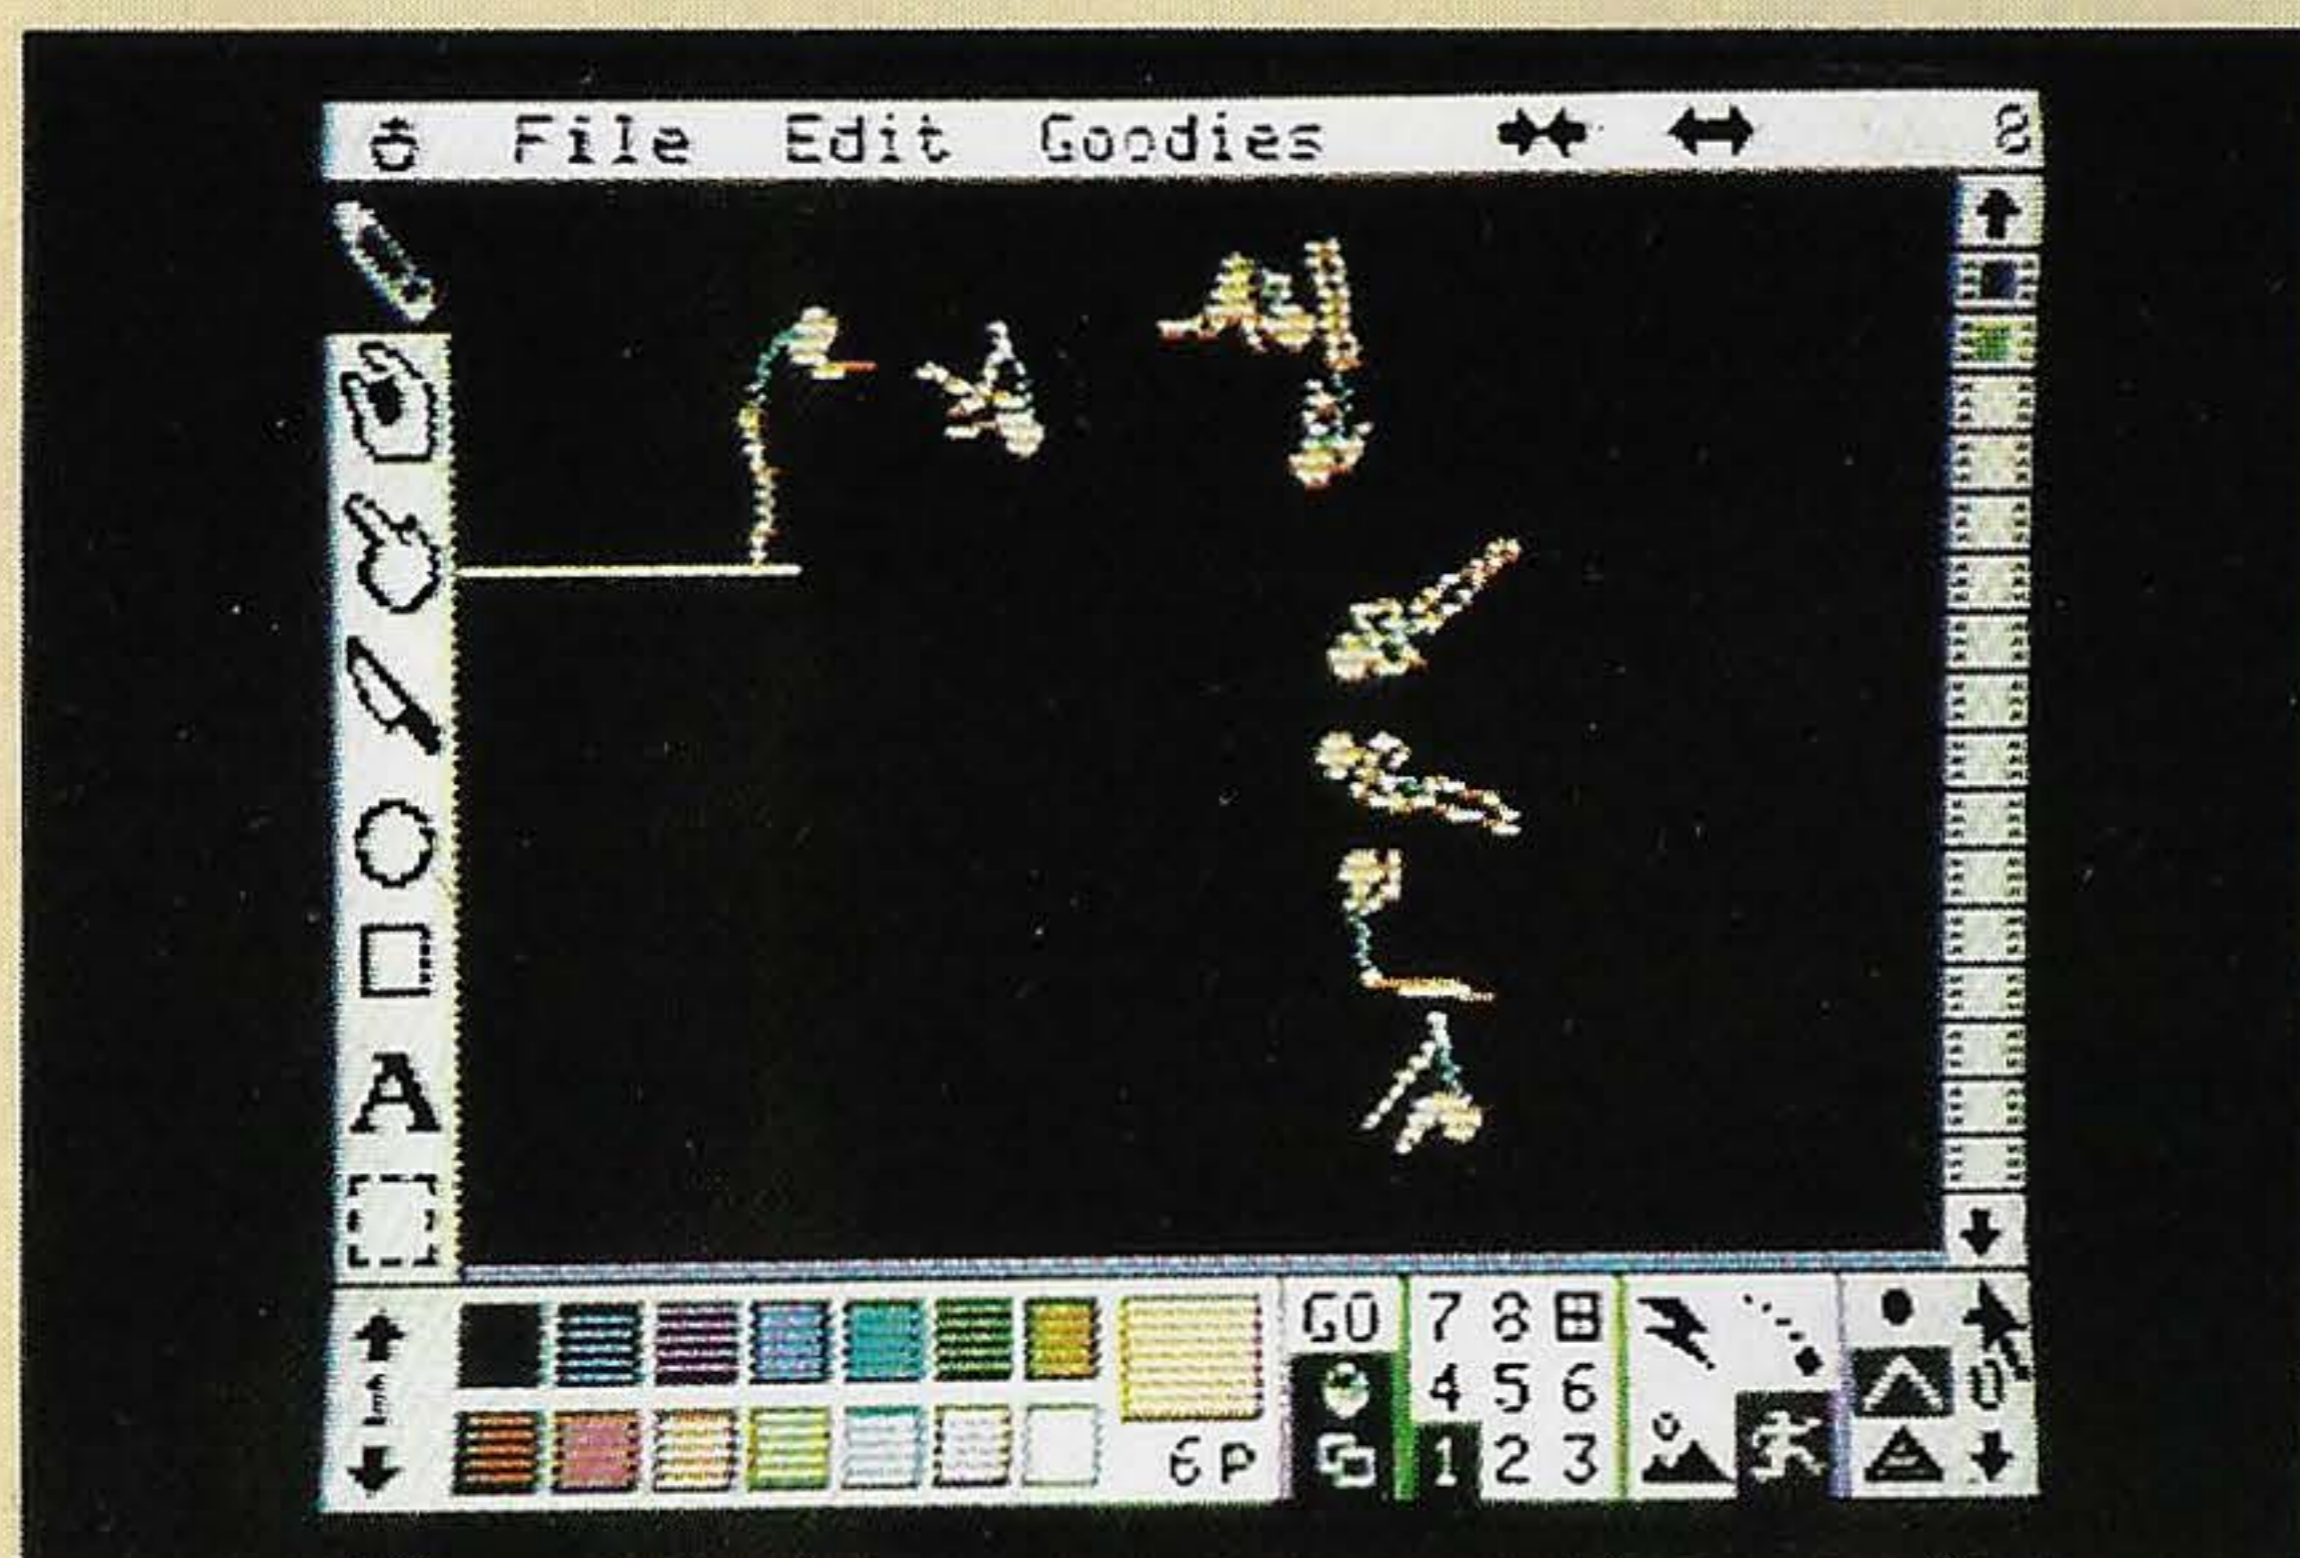

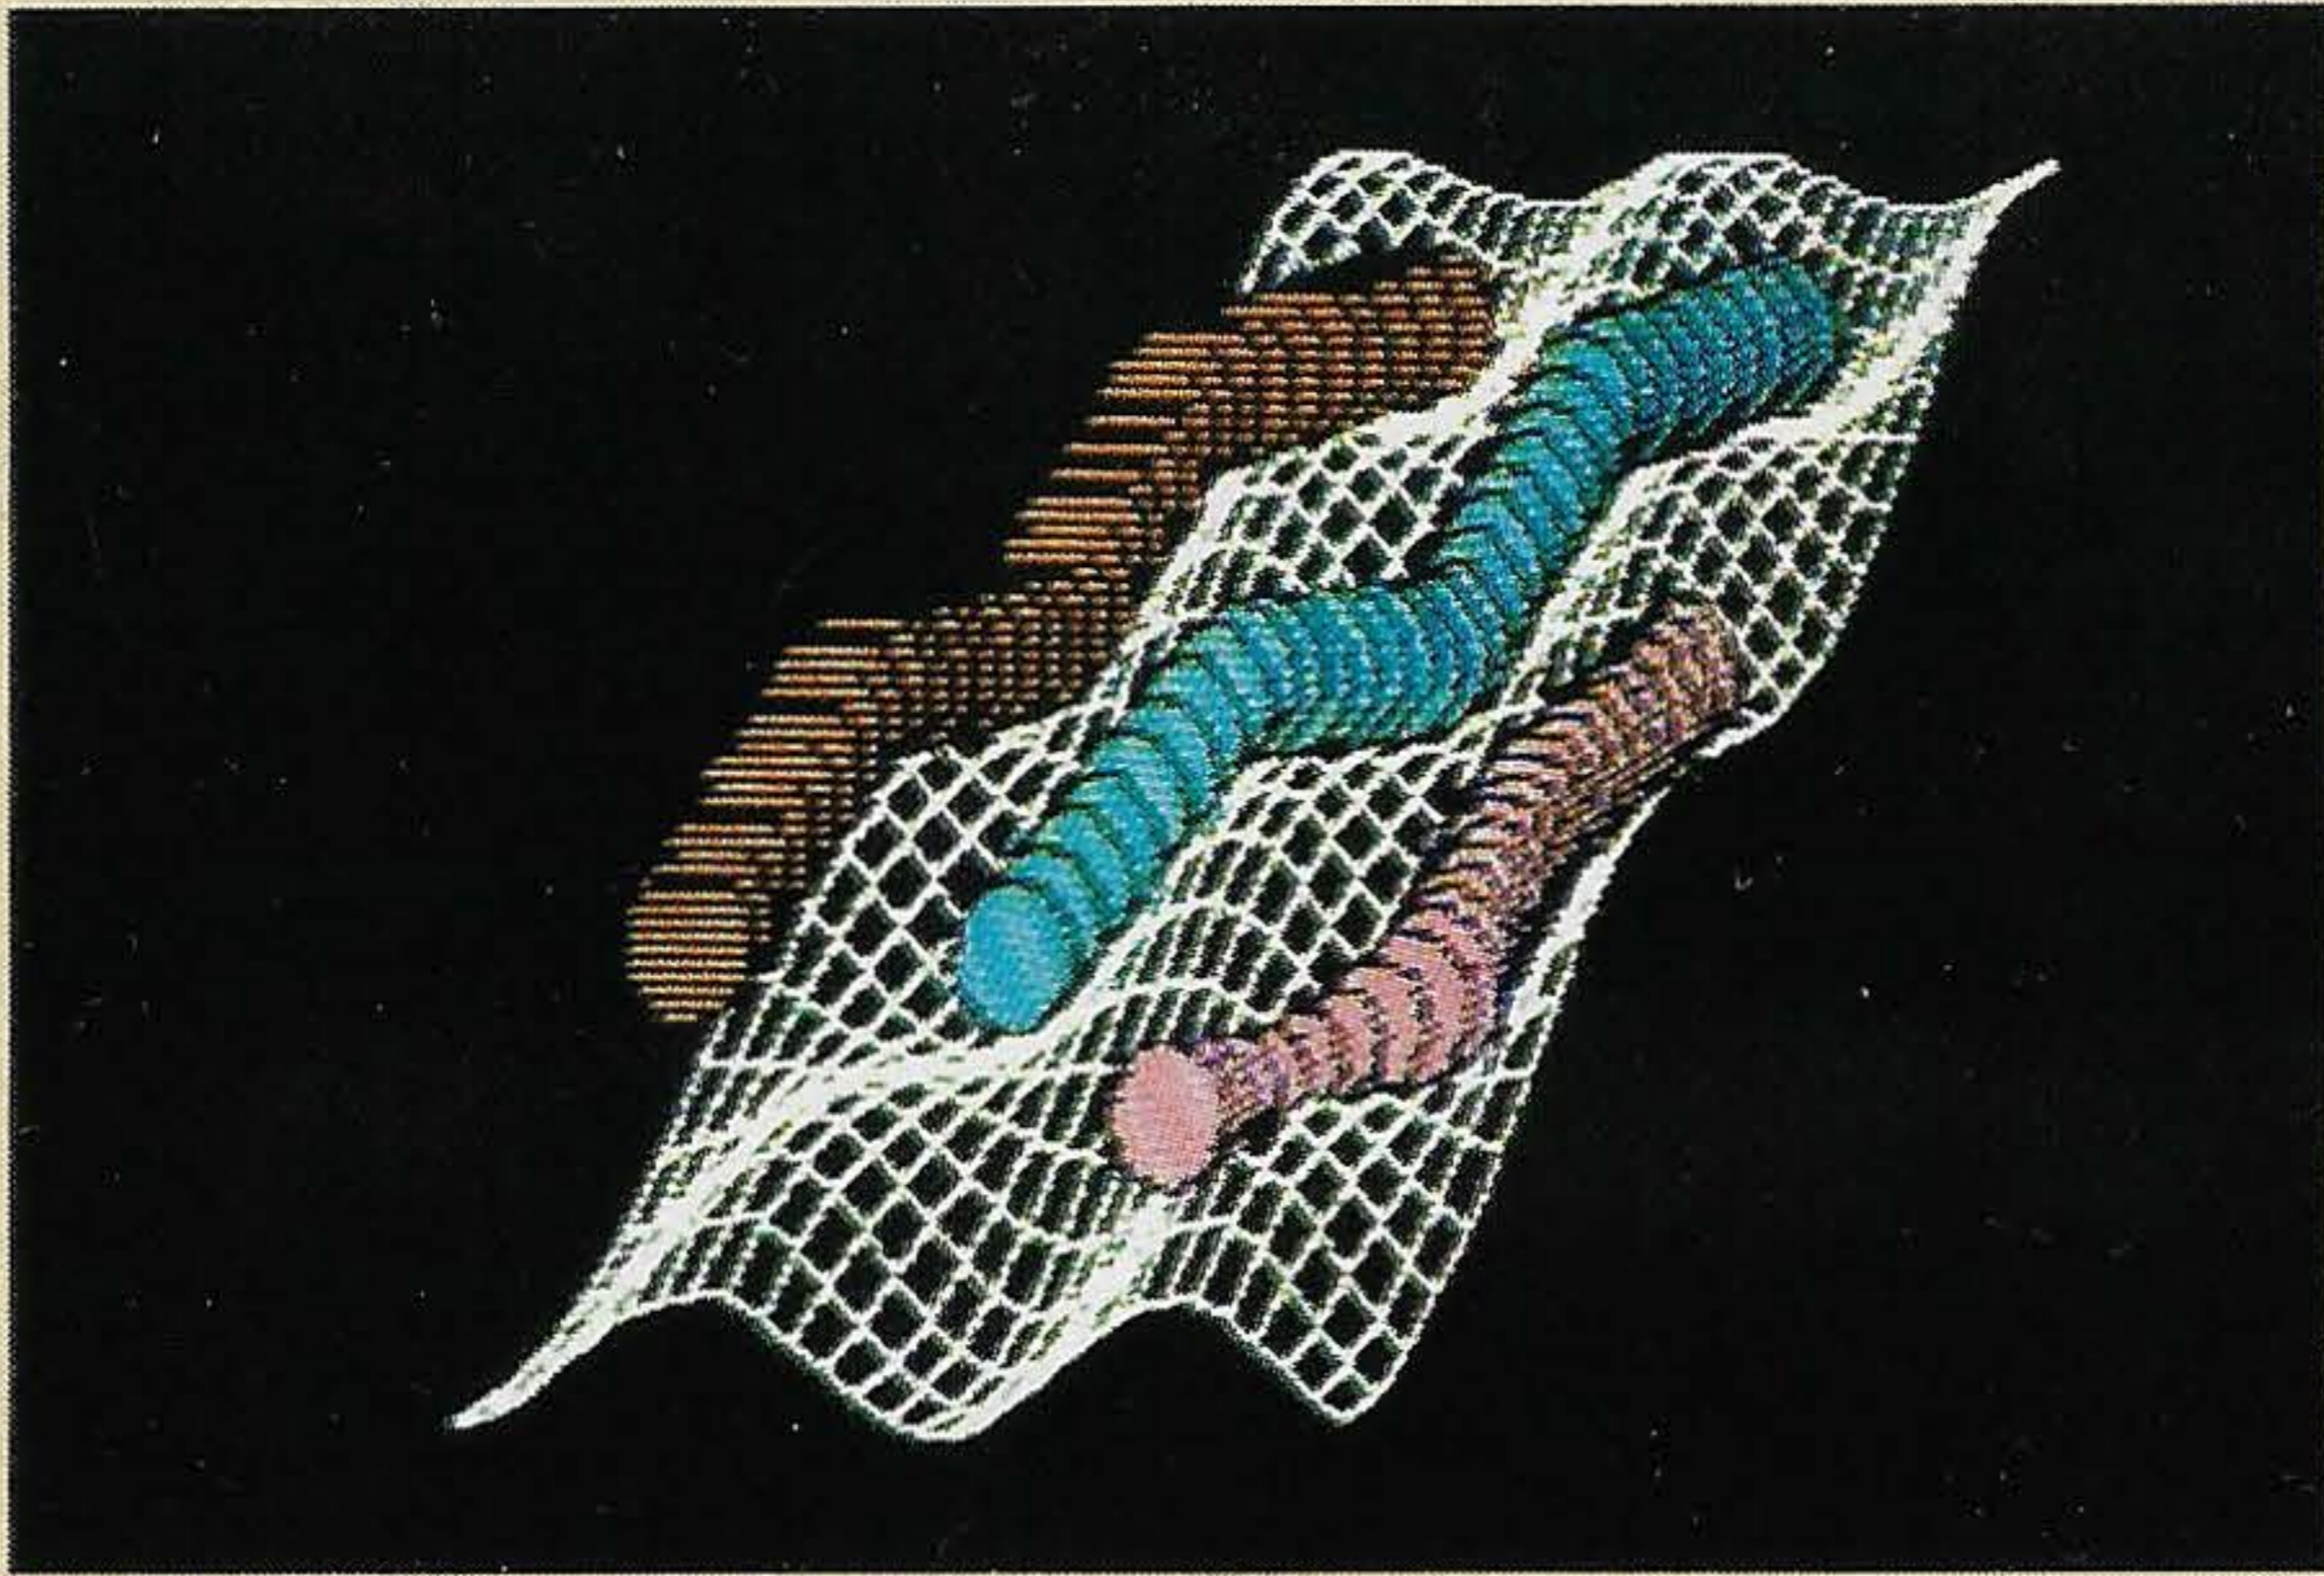

Now virtually anyone—artists and non-artists alike, children, teachers, homemakers and executives—can have unlimited fun creating special effects, cartoons, mini-movies and fabulous doodles with the extra element of magic called *FANTAVISION*.

## HAVE YOU HEARD ABOUT THE PRINT SHOP?

Now with only a few keystrokes you can write, design and print your own stationery, greeting cards, flyers, even thirty-foot long banners! No knowledge of computer graphics is necessary.

Don't miss *THE PRINT SHOP* on page 6.

## EVERYTHING YOU NEED IS IN THE PROGRAM:

Typestyles, border designs, background patterns and a wide range of pictures and symbols to choose from will put your ideas in print!

Just mix and match elements from the menu and use them like building blocks as you compose your masterpiece. *THE PRINT SHOP* will guide you every step of the way and print out your finished piece automatically.

There's an illustrated reference manual full of examples to get you started, plus a starter supply of colorful pinfeed paper and matching envelopes.

Start putting your ideas into print. Every one will be one-of-a-kind!
